

## D6 :: March 2021: HS

Romans is one of the most important—if not the most important—book in all of the Scriptures for us to know like the back of our hand. It covers so many different topics with precision and depth, and when we understand these topics well, they are a helpful lens to read all of the other Scriptures through. It especially makes clear to us the gospel of Jesus Christ, the gospel which is *the* power of God unto salvation when it is received by faith (1:16; 10:14-17)! As you read it this month, take time to intentionally drink as deeply of it as you can (there is a reason why many of the readings are only 20 verses or less). Take time to think about the fact that Paul spends just short of three chapters talking about how evil our hearts are. Why does he, by the inspiration of God's Spirit, do this? Take time, in light of this, to marvel at the gospel of Jesus Christ and the free forgiveness of sins offered in Him even though we are God's enemies by nature (5:10). Take time to ask yourself if the experience of the Christian in chapters 6-8 is *your* experience, if you know what it is like to truly hate the sin that is in you because it stands against God and also what it is like to boast in the gracious forgiveness of sins in Jesus.

Deuteronomy 6:6-9

<sup>6</sup> These commandments that I give you today are to be on your hearts. <sup>7</sup> Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.

<sup>8</sup> Tie them as symbols on your hands and bind them on your foreheads. <sup>9</sup> Write them on the door frames of your houses and on your gates.
