

This month we are beginning to work through what are called the “minor prophets.” These prophets are certainly not called “minor” because they are unimportant! Instead, these prophets write short (“minor”) messages that are packed with great depth about God, sinners, and the redemption of God’s people. These books, as we read them closely and apply them to our hearts, speak with pinpoint precision on the depth of evil and sin in our hearts, but also of God’s willingness to save all who come to His Son with wholehearted faith and trust. Many of these books are written in different times throughout Israel’s history, and though it can be helpful to know these things, there are riches that await those who come with faith and expectation! We also have a few days in week 3 where all students can be doing their devotional material together. So, whether or not you are on Bare Soles, all can follow along in the Bare Soles devotional!

June 2021: HS

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
