

This month we are continuing our reading through the “minor prophets.” These prophets are certainly not called “minor” because they are unimportant! Instead, these prophets write short (“minor”) messages that are packed with great depth about God, sinners, and the redemption of God’s people. As you continue to work through these books this month, see how God is uniquely dealing with all of the nations. Though He began in dealing with one family (Abraham) which would eventually become a nation of people (Israel), God is fulfilling His promise to bless the nations (Gen. 12:1-3). As Israel fails to be obedient to God and to bless the nations as a nation of priests unto God, God Himself begins to reveal that He will bless the nations through His own one-sided work. Where Israel failed, God Himself will bless the nations through His Messiah. All who believe in Jesus Christ are the recipients of this promise given to Abraham; it is they who are part of the “nations” blessed by God Himself!

July 2021: HS

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
