

D6: July 2021: MS

This month you are reading 10 whole books of the Bible! Which is 37% of the 27 books of the New Testament. Last month we had the privilege of studying the book of Acts and the new Church. This month we will be learning more about the early church. The passages we are going to read this week are written by the apostle Paul (besides the book of James, which was written by James) and they were letters written to the early church. They explain something called "Doctrine", which is what the church should believe and how they should run the church and live their lives. Each day after you read, answer one of these questions in your journal: What is something new that you learned today? Do you see any of these commands still being followed in our church? What is one thing that you want to start applying to your life? What does this passage show you about God? Also, write down one question each day and find a time to ask a parent, grandparent, or pastor about it.

D6 is...

Deuteronomy 6:6-9

⁶These commandments that I give you today are to be on your hearts. ⁷Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸Tie them as symbols on your hands and bind them on your foreheads. ⁹Write them on the door frames of your houses and on your gates.
