

## D6: January

### 2022: HS

This month we will be reading through the book of Joshua. Joshua picks up where Deuteronomy left off. After God had led the people of Israel out of the slavery of Egypt (fulfilling Gen. 15:13-14), He led them to the wilderness. However, though He had shown His goodness and faithfulness to them, they sinned against Him in unbelief, and thus, the generation passed away without receiving what was promised to them as a sign of God's judgement. As the next generation arose, it was they who would receive the land that was promised to them when God spoke to Abraham in Gen. 15:18-20. Joshua is therefore the story of God fulfilling His promise to His people. For us, we understand that the story of Joshua has practical application as well. Though we are not to conquest land and people under the New Covenant, God calls us to conquer sin by faith in Christ. Just as God's people had been redeemed from slavery and were to now conquer His enemies, so we, after being redeemed from sin by the blood of Christ, are to conquer the great enemy: sin.

## January 2022: HS

**D6** is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
