After finishing up 1 Corinthians last month, we move now to 2 Corinthians. Paul wrote with a lot of harshness to the Corinthians in his first letter. He saw a lot of disobedience to God, a lot of division within the church, and in this, his heart was broken. Thus, he wrote with a lot of correction. However, in 2 Corinthians, we see that the Corinthians listened to Paul and that they were walking together in fellowship with their hearts directed towards daily obedience to God everyday out of gratitude for what He has done for them. As Paul writes 2 Corinthians, a new problem has still arisen in the church there: there are false teachers who are claiming that Paul's suffering shows that he is not an apostle of Jesus. Paul proves that his suffering is a testimony to the truthfulness of his ministry rather than something that undermines it, and in this, we have much to learn about suffering and loving God through this book. As we move to 1 Timothy through Titus, we learn about the instructions God has given for us regarding life in the church today.

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
