The story of Genesis is the story of beginnings: the beginning of the creation, the beginning of mankind, and most importantly, the beginning of God's saving grace to His people. Against the backdrop of Adam and Eve's sin with all image bearers after them doing the same thing, we immediately see God promise to crush the head of Satan through one who will come from Eve (3:15). This is a praise of Jesus Christ, He who is God the Son and also born of a woman! After this, we see multiple covenants that God establishes with His people. With Noah, we see that God makes covenant promises to never destroy the earth again, for the evil hearts of men remain even in spite of His judgement. We also see the story of Abraham this month, which is an especially important story in the history of God's redemption. We see that God calls Abraham from his life of idolatry to a life of faith in Him, believing in His promises to give him a child even in his old age. To see more about how important Abraham is, be sure to read Romans 4 and Galatians 3!

JUNE 2022: HS

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
