

## D6: June 2022: Middle School

As we enter into the heat of the summer, we are going to be traveling alongside the Israelites as they travel through the heat of the desert. The nation of Israel are all of the descendants of Jacob and they are God's chosen people. After Joseph rose to power in Egypt, the people of Israel moved into the nation of Egypt. But eventually they were enslaved by the Egyptians and forced into hard labor. This month we are going to read about the enslavement and eventually, the rescue of the people of Israel. This story shows us the love of God as He protects His people and sends a rescuer to save them out of Egypt, just like God loved us enough to make a rescue plan from sin and death through Jesus dying on the cross. As you go through this week reflect on these questions and write down the answers in your journal: How did you see sin and brokenness in the reading? How did you see God care for His people? How did you see Gods power? How did you see Israel rebelling against God or worshipping God. How is Moses being a rescuer similar to Jesus being our rescuer? How is it different?

**D6** is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

**D6** is...

Deuteronomy 6:6-9

<sup>6</sup>These commandments that I give you today are to be on your hearts. <sup>7</sup>Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. <sup>8</sup>Tie them as symbols on your hands and bind them on your foreheads. <sup>9</sup>Write them on the door frames of your houses and on your gates.
