

**D6: December**  
**2022: HS**

Throughout December we will be considering the later epistles of the New Testament. We are often familiar with the words of Paul, but we must remember that God inspired other authors in the NT as well! As James, Jesus' half-brother, writes, he speaks to us about the importance of faith showing itself through action. Believers are saved by grace through faith in Christ alone, but this faith is never alone and without evidence. In 1 Peter, we learn about the need to press on in suffering as we look to the hope prepared for us in heaven. In 2 Peter and in Jude, we learn about the importance of truth and of right doctrine. Because God has revealed Himself through the Scriptures, we absolutely must get right what God teaches us in the Scriptures; some doctrines are a matter of eternal life and eternal death! The epistles move fast, so be sure that you pay attention to every word and ask how God might change you as you seek to trust in Jesus Christ and walk in obedience to Him as He presents Himself throughout these pages!

## December 2022:

**D6** is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

Deuteronomy 6:6-9

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.
