The grass is green, the sky is blue, and the sun is shining bright. Summer has finally arrived! And as we enjoy the beginning of this amazing season we are going to learn about the beginning of the church. Acts is written by Luke and it is unique among the New Testament writings because its specific purpose is to record the history of the early church. Through the book of Acts we get to learn about the early church and how God provided for and lead His people after Jesus' ascension. Each day after you read try to summarize the passage in a few sentences. Then answer one the following questions: What is something new you learned about the early church? What is something new that you learned about God? What are some things that the early church did that we still do in church?

D6 is...

Deuteronomy 6:6-9

⁶These commandments that I give you today are to be on your hearts. ⁷Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸Tie them as symbols on your hands and bind them on your foreheads. ⁹Write them on the door frames of your houses and on your gates.
