

D6: September 2023: HS

Ruth continues the story of God's provision of his people by highlighting the themes of loyalty and redemption. As Ruth remains faithful to Naomi, despite having been widowed, so Christ remains faithful to His people. As Ruth is redeemed sociologically by Boaz, so Christ redeems His people. With a rich tapestry of even this small portion of history, we see a direct link to Christ. As Israel forms into a more traditional people, they vie for similarities with the nations around them, despite a call to remain apart. In Philippians and Colossians, Paul highlights to the churches their need to be set apart, in direct contrast to Israelite history for the several thousand years leading up to their moment in time.

These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind
