

D6: December 2023 Middle School

This month we are continuing learning about Christ's life by going through the book of Luke. We will be skipping the first couple of chapters to save Christ's birth for the end of the month. Use a journal as you read this month. Each day after you read, try to summarize the passage in a few sentences. Then answer one the following questions: What is something new that you learned from this passage? What is one thing from Christ's teachings that you can learn from? What is one parable that sticks out to you and why? What is one way you can be more like Christ?

As you come to the end of the month think about these questions: Why did Christ come as a baby? Why did Christ have to come at all? Why Is Christmas such an important holiday? Finally, when you think of Christmas, consider the food, the lights, the gifts, and the carols. How can you keep Christ and the story of his birth at the center of your celebrations this holiday season? At the end of the month show your journal to your parents for them to review. At the end of the month show your journal to your parents for them to review.

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

D6 is...

Deuteronomy 6:6-9

6 These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. 8 Tie them as symbols on your hands and bind them on your foreheads. 9 Write them on the door frames of your houses and on your gates.
