

# **D6: August 2024 High School**

As we ended last year with chunks of the Old Testament, we return there with 1 Kings. This book is the first of 2 detailing the kingdom of Israel under the kinds that came after David. We see the succession of the Israelite throne from David to his son Solomon, and get an up-close look at the kind of King Solomon was and the examples that he set. While the wisest man on earth, Solomon's imperfections are not hard to spot. Pay close attention to how the Lord leads and guides Solomon while he sits on the throne and presides as a judge over his people. If you were told in a dream that you could ask for whatever you wanted, what would it be How does Solomon respond? Take time answering this question and reflecting on it with someone in your household. Weeks 4 and 5 take us to the new testament, where we see more evidence of Christ and practical ways to live out our Christian faith in community.

**D6** is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

**D6** is...

Deuteronomy 6:6-9

6 These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. 8 Tie them as symbols on your hands and bind them on your foreheads. 9 Write them on the door frames of your houses and on your gates.
