

D6: October 2024 High School

As a gentle believer, Luke wrote his back after many travels with Paul in an investigative manner, giving precise information to support the validity of Christ and the stories that surrounded him. Luke includes many eye witness stories and accounts of the work Christ did throughout his life and ministry. Lamentations allows us a study of the sadness over the destruction of Israel, but Isaiah finishes the week with a reminder of the sovereignty of God over all things. When you're done, answer one the following questions: What is something new that you learned from this passage? What can you learn about your own heart through those who interacted with Christ? At the end of the month show your journal to your parents for them to review.

D6 is designed to offer guided time the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

D6 is...

Deuteronomy 6:6-9

6 These commandments that I give you today are to be on your hearts. 7 Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. 8 Tie them as symbols on your hands and bind them on your foreheads. 9 Write them on the door frames of your houses and on your gates.
