

D6: October 2024: Middle School

During our teaching in Middle School right now, we are start way at the beginning of the Bible. Because of this, we will be spending this month focusing on a single book in the New Testament. This will help us to remember the story of Jesus as we continue to work through the story of Creation and the Fall. Matthew was a disciple of Jesus, which means that what we learn in the book of Matthew is an eye-witness account of the great things Jesus did while He was on earth. What a cool opportunity we have this month to learn exactly what our Savior did while He was walking the earth.

As you go through the reading each day write down your answer to these questions: What did this passage teach you about God? What did it teach you about yourself? How did you see the Gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

D6 is...

Deuteronomy 6:6-9

⁶These commandments that I give you today are to be on your hearts. ⁷Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸Tie them as symbols on your hands and bind them on your foreheads. ⁹Write them on the door frames of your houses and on your gates.
