

D6: May 2025: Middle School

This month we will be looking at the book of Isaiah. This book is basically a long letter from God to His people. It starts out with God's judgment and warning to His people because they were not making good decisions. Then God reminds them that He still loves them and didn't give up on them. After that we read about a Messiah, Jesus, who is coming to bring peace, help the hurting and take the punishment for our sins. The main message throughout Isaiah is that, even though people mess up, God is always working to bring us back to him. His love, forgiveness and plans will never fail.

As you go through the reading each day write down your answer to these questions: What did this passage teach you about God? What did it teach you about yourself? How did you see the Gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

D6 is designed to offer guided time in the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

D6 is...

Deuteronomy 6:6-9

"⁶These commandments that I give you today are to be on your hearts. ⁷Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸Tie them as symbols on your hands and bind them on your foreheads. ⁹Write them on the door frames of your houses and on your gates."
