

D6: August 2025: Middle School

This month we will look at 2 books, 1st and 2nd Chronicles, which are found in the Old Testament. First we will focus on the life of King David and his son Solomon and how they planned and built the temple of the Lord and brought the Ark of the Covenant (which symbolizes God's presence) to Jerusalem. After that we will read about some of the others kings, both good and bad, who ruled Israel after Solomon. We will get to see examples of what it looks like when we live our lives for God and what happens when we try to do things our own way, apart from God.

As you go through the reading each day write down your answer to these questions: What did this passage teach you about God? What did it teach you about yourself? How did you see the Gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

D6 is designed to offer guided time in the Bible for 6 days a week. The goal is to develop a habit of learning from God's Word daily. If you miss a day, don't give up. Just jump back in the next day.

D6 is...

Deuteronomy 6:6-9

"⁶These commandments that I give you today are to be on your hearts. ⁷Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. ⁸Tie them as symbols on your hands and bind them on your foreheads. ⁹Write them on the door frames of your houses and on your gates."
