

Introduction

This month, we will read the second half of the book of Exodus. You ended last month's reading while Moses was receiving important laws about how God's people, the Israelites, were called to live. Exodus began with big and exciting stories, but now it seems to have slowed down. But don't worry! You are about to read about God continuing to build His relationship with Israel, which shows His love and desire to be with us. Make sure you check out the video below to help you understand what you are reading this month.

The Bible Project:
Exodus 19-40

As you go through the reading each day, write down your answer to these questions: What did this passage teach you about God? What did it teach you about humanity? Did you see the gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

Weekly Assignment

Each week, come up with one question that you have from the week's reading. Once you have written down that question, go and ask it to a parent, grandparent, small group leader, or any other trustworthy adult in your life.
