

Introduction

This month, we are talking about having a quiet time in small group. We will be giving you a structured plan that you can use in your quiet times. This will walk you through different ways that you can engage with the Word and prayer each day.

Your small group will walk through these passages together, and each Thursday you will have time to talk through the devos from that week. We can learn a lot from each other as we talk about what God is showing us in our quiet time, how we encountered God through different ways of engaging with the Word and prayer, etc.

You can access all of the devos on the D6 page of the Magnify website.

As you go through the reading each day, keep track of your answers to the structured plan, and feel free to answer the following questions. What did this passage teach you about God? What did it teach you about humanity? Did you see the gospel in this passage? Were there any commands given for how you should live? What is something new you learned through this passage?

Memory Challenge

Question: Since we are redeemed by grace alone, through Christ alone, must we still do good work and obey God's Word?

Answer: Yes, so that our lives may show love and gratitude to God, and so that by our godly behavior, others may be won to Christ.

Passage: "But be doers of the word, and not hearers only, deceiving yourselves." James 1:22

Weekly Assignment

Each week, come up with one question that you have from that week's reading. Once you have written down that question, go and ask it to a parent, grandparent, small group leader, or any other trustworthy adult in your life.
